

13th May 2024

Dear Parent/Carer

Year 7 End of Year Assessment and Virtual Parents' Evening

Next week, from Monday 20th May Year 7 students will be completing end of year assessments in most of their subjects. These will take place in classrooms and in their timetabled lessons. Students will be told in lesson this week and via Google Classroom when their assessment will take place. The assessments for many subjects are those that are used across United Learning schools. I am aware that the Maths tests will not take place next week as the Trust are currently adapting the paper; further details will follow and will be sent to you. Rotation subjects may also have a different week for assessment.

In many lessons this week students will be taking part in revision and reteaching activities. Homework may also be set on Google Classroom, including use of appropriate online platforms such as Seneca to assist with revision. Test results will be included in End of Year reports.

In addition, I would like to invite you to our online Parents' Evening on Wednesday 5th June from 4.00 pm until 6.30 pm. This is an important evening and provides you with an opportunity to discuss your child's progress with their subject teachers.

We will be using the same online appointment booking system (SchoolCloud) as used for the Autumn form tutor meetings. This allows you to choose your own appointment times with your child's teachers. Appointments can be made from 6.00 pm on Wednesday 22nd May until 4.00 pm on Friday 24th May. Should you wish to make any changes after this time please contact by or email your child's teacher directly.

Please visit <https://campionnorthants.schoolcloud.co.uk/> to book your appointments.

A short guide can be found on <http://www.campion.northants.sch.uk/421/parents-evening-instructions>. Login with the following information:

- Student's first name
- Student's surname
- Student's date of birth
